STRATHMORE HARDWARE

VOL. VII., NO. 4

STRATHMORE, ALBERTA, OCTOBER 27, 1915.

Subscription Price, 1.00 per year

LOCAL JOTTINGS

The geese are flying South now. Some of our local sportsmen are picking them off in good shape.

The stock belonging to W. G. Knyvett which had been seized in payment of a judgment issued some time ago, and to which considerable reference was made in our columns lately, on account of the fact of Mr Knyvett being in the trenches at the time in his country's service, were sold privately last week. The price realised was fairly good, and is certainly better than would have been obtained if there had been a forced sale.

Mr E. Staves, formerly section foreman in charge of the Western Section of the C.P.R. Telephone System, has enlisted in the 2nd.

A son was born to Mr and Mrs O. H. Wolf on Thursday last week at the home of Mrs Hartell. He is a real cowboy and hollering for the claps and rope already.

Willie Marshall, when asked on Saturday what sort of a crop he had had, with proverbial Scotch modesty (ah mi) would not give any figures, but smilingly observed that it was "kraan crap". It must have been, when Willie would acknowledge it.

One farmer on Saturday told a prominent local churchman that if the latter would stand drinks for the crowd he would enlist in the army. The churchman didn't, but the farmer may yet.

Mr O. F. Bremer left for Winnipeg last Tuesday evening on a ten days business trip.

T. S. Burns is the name of the former city treasurer of Calgary, not John Burns as stated in last issue.

Another prospective recruit, who has passed the medical examination for the 2nd, is Lionel Cuthbert Hywaters, son of Mr and Mrs Thos Hywaters. He is following in his father's footsteps, the latter having been a Sergeant in the Royal Field Artillery.

Two of last week's recruits to the 2nd, Mr J. S. Barker, Bassett, and Mr Jos. O'Keefe, a son, are former residents of the 2nd. Mr Barker was a member of the Canadian Bank of Commerce in the early days of the town, and was a very popular citizen. He occupied the office of the local Board of Trade for some time. Mr O'Keefe was also employed around here for a considerable time. He recently returned to Alberta from a two years tour of the world, and opened up an office in Glenora at about two months ago for the intention of practising law, but the call to arms was too strong for him, and as stated above he has enlisted.

The sacrament of the Lord's Supper will be observed D. V. at the morning service, 11 o'clock, in the Presbyterian Church next Sabbath. A full attendance of members and adherents is earnestly requested.

Mr G. W. Skene, of the firm of Peacock and Skene, and Mrs G. W. Skene and child, spent Sunday with their aunt Mrs Frank Skene of Cheadley. They passed through Strathmore Sunday to look after the interests of the Sorensen farm which has 1700 acres ready for crop.

Miss Miller, who has been a resident of Strathmore for almost a year, seeking renewed health, left on Tuesday for Edmonton where she will visit friends for a while.

The Methodist Ladies Aid will meet at the home of Mrs Zerkle on Thursday afternoon at the usual hour.

Mrs Seese, who has been a resident of Strathmore for the past five years, left on Tuesday for Drumheller, where she has purchased a bakery business. During her residence here she has made quite a circle of friends, who while they regret her departure, wish her well in her new sphere. She was accompanied by her sister Mrs Porterfield, who has resided with her for the past two years.

Mr and Mrs Crewe and family arrived last week from Lacombe and have taken up their residence in the home formerly occupied by Mrs Seese and sister. Mr Crewe has secured a position on the C. P. Irrigation Dpt. here.

Yes, they do give a 75¢ meal for 35¢, put up by a first class white chef at the Maple Leaf Hotel.

Ladies stopping at the Maple Leaf will get all the courtesies possible shown them.

Nightingale Notes.

Threshing is proceeding slowly round Nightingale and some farmers are wondering if their crops will be threshed before Christmas. So long as the present fine weather continues the crops are safe, but should snow come it would put a stop to stock thrashing; he is a man who has stacked his grain this year.

Some of the visitors to Nightingale have reason to remember the trials in the neighborhood. We hear of a threshing engine sticking in a mud hole, also a motorist who was ignominiously hauled out of a waterlogged piece of ground on the trail north of Nightingale. If we want visitors to come to Nightingale we must look to the roads or people will fight shy of us and choose some other town where there will be no danger while travelling.

Ladies please to note the next threshing piece of ground on Oct. 28th, at Mrs Lawson's house. The dance on Friday, 15th, was much better attended and everybody agrees that it was a very enjoyable evening, dancing was kept up until 11 p.m.

Mrs Seymour entertained the members of the Ladies Tea Circle at her house on Wednesday, Oct. 20th.

Mr and Mrs Swigart are being congratulated upon the birth of a son Mother and child are both doing well.

"COUNTRY FAIR"

A very successful sale and entertainment was held in the Opera House on Thursday afternoon and evening under the auspices of the Methodist Ladies Aid, who are entitled to much credit for the fine showing made.

There were quite a number of prettily decorated booths, and the goods and products displayed were all of first class quality. The evening concert was very much enjoyed. The attendance was large, almost every chair being occupied.

The fair was opened at 3 on Thursday afternoon by Mrs W. E. Vickery, with Mrs Chas Allan in the chair. A pleasing incident was the presentation to Mrs Vickery of a handsome bouquet of flowers by little Esther Zerkle.

The various stalls were: Children's Ware—Mrs Hole, Mrs McElhose, Mrs Gatenby, Fruit and Vegetables—Mrs H. Anderson, Mrs W. G. Way, Mrs F. M. Dewitt.

Tea Booth—Mrs Zerkle, Mrs Boertz, Ice Cream—Mrs. C. C. North, Mrs Cleve.

Fancy Work—Mrs Seymour, Mrs Schulte, Mrs Fisher, Miss Way, Candy Stall—Mrs McElhose, Miss Davis.

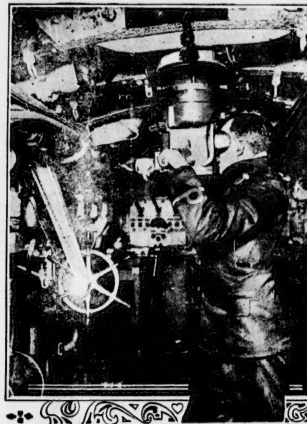

Aprons and Handkerchiefs—Mrs W. Anderson, Mrs Saunders, Kitchen Booth—Mrs. Ellen Way, Mrs Miller, Mrs Hall.

The judges were—Needlework, Mrs Thos E. Wright, Mrs McCoy, Pickles and Canned Goods—Mrs Van Tighem and Mrs Givrin, Cookery—Mrs W. B. Brown and Mrs Lambert.

The prize-winning booths were: 1—Fancy Work; 2—Candies; 3—Kitchen.

The score of male contestants who participated in the hat trimming contest showed ingenuity and originality to the most remarkable degree, and the judges, Mrs. W. E. Brown and Mrs. Green, took considerable time to make their choice from the various creations. The winners, ultimately fell, however, to Messrs. Fisher and John MacKenzie, who are so elated over it that they are talking of opening a millinery parlor of their own.

A splendid programme was given in the evening, and as Rev. Hole, the chairman, remarked, Strathmore has reason to be proud of its local talent. Towards the close a short address was given by Mr. W. E. Brown, emphasizing the claims of the Patriotic Fund to the support of the public during the coming year. The selections by an orchestra consisting of Mr and Mrs Thornberry, Miss McElhose, Miss Bolton, Dr. Givrin, Mr E. E. Green, and Mrs. W. E. Anderson, were very well executed. The programme was as follows.

The interior of a British submarine.

The officer in command is shown taking observations through the periscope. Note the steering wheel at the left and the cramped quarters of the little under sea wago.

Selection, "Cupid's Dream" Orchestra; Song, "Soldier," Mrs. Thornberry; Recital, Mrs Zerkle; Song, Mr C. H. Lewis; Pandorff Solo, "Minuet," (Paderewski), Miss Bolton, Miss Bice; Vocal Duo, "Angus McDonald," Mr and Mrs Wooster; Selection, "Heather Rose Caprice," Orchestra; Song, "Shine and Rain," Miss Haremsam; Whistling Solo, "Till the Boys Come Home," Mrs. Schulte; Violin Solo, "Salut d'Amour" (Elgar), Mrs. Thornberry; Song, Mr Wooster; Selection, "Among the Roses," Orchestra; Song, Mrs Wooster; Instrumental Trio, "Cavalier's Roustance" (Macgregor), Miss Bolton and Mr and Mrs. Thornberry; Song, Mr Lewis; Selection, "I'm a Soldier," Orchestra.

The following is a list of the prize winners of the various commodities exhibited: Fancy Cap—Mrs. O. Miller, Mrs. Elford; Fancy Apron—Mrs. Elford, Mrs. S. E. Hall; Pillow Cases—Mrs. Crossley, Mrs. O. Miller; Gilet Towels—Mable Way, Mrs. Gatenby; Currant Jelly—Mrs. Gatenby, Mrs. O. Miller.

AMERICAN PLAN

BUY AN IRRIGATED FARM

FROM
THE CANADIAN PACIFIC RAILWAY
BECAUSE—

Irrigation makes the farmer independent of rainfall, and insures good crops, not occasionally, but EVERY YEAR. Irrigation makes possible the successful culture of alfalfa, the king of feedstuffs, which insures best returns in dairying and stock raising. Irrigation insures intensive farming and close settlement, with all the advantages of a densely populated agricultural community. Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the year 1914 having absolutely demonstrated its success wherever intelligently applied. You can buy irrigated land from the Canadian Pacific Railway at prices ranging from \$50 to \$175 per acre, with twenty years to pay and the privilege of a loan of \$2500 for improvements (if per cent interest) no principal payment at the end of first or second years and no water rental for first year. Assistance is also given in supplying stock in approved instalments. This is the most liberal offer of irrigated farm land on record. Get full particulars from

ATTRACTIVE NOVELTIES IN CUT LEATHER

Belt Buckle Design

As the Belt Appears

By Ethel Davis Seal

ELIZABETH FRANCES had returned from her vacation with a brand-new idea. She was going to start a Christmas club, every Christmas of her life she had resolved to be forwarded the next year, and start right after Christmas with the things for next year's gifts. But you know how it is. The next morning she awoke to find the same breakfast, the same hurried packing together of clothes and shoes, the same afternoon of the morning of the next year's gifts. But you know how it is. The next morning she awoke to find the same breakfast, the same hurried packing together of clothes and shoes, the same afternoon of the morning of the next year's gifts.

Her husband told her of a Christmas club was here now. But it was not the club that it had been told of by other people's lips. For, on that vacation of hers Elizabeth Frances had learned to make a Christmas club. It was not a club, as such, but a series of small, regular contributions to a fund, which would be used to buy gifts for the next year's Christmas.

After she had talked together the Christmas club, she knew that if she could get together a few friends, she could make a Christmas club. It was not a club, as such, but a series of small, regular contributions to a fund, which would be used to buy gifts for the next year's Christmas.

Elizabeth Frances had learned to make a Christmas club. It was not a club, as such, but a series of small, regular contributions to a fund, which would be used to buy gifts for the next year's Christmas.

Cheap, Nutritious Food

White flour is the cheapest and most nutritious of all foods. Compared on a money basis, the energy or heat producing ratio of flour and beef is about 10 to 1 in favor of FLOUR.

PURITY FLOUR is oven-tested at the mill. The combined skill of chemist and miller has been exerted to make money Canada's standard flour. This careful supervision assures the housewife of a pure and honest product.

during the first year of the great war. The Titanic struggle is still going on, and likely to continue for many months yet. Our Canadian soldiers have made a name for themselves and our country that will stand forth gloriously in history now being written.

LET YOUR CONTRIBUTION—

to the support of their families during this second year, be a credit to yourself, your town and your country. As a British citizen deprived of the privilege of active participation in the great struggle for freedom, you surely will

WELCOME THE OPPORTUNITY

Town Council.

The regular meeting of Strathmore Town Council was held on Tuesday evening, Mayor Lamberti presiding. Officers: Councillors present were Messrs Bremner, Zerkle and Anderson.
Minutes of last meeting were read by Secretary Hill and adopted.

MR. TUCKER'S COW.
A portentous communication was read from Mr. T. M. Weas, on behalf of F. H. Tucker, protesting against the poundkeeper's action in seizing the latter's cows, such action being denounced as illegal, unconscionable and oppressive. Mr. Weas stated that his client would hold the town responsible for any loss or damage he might sustain.

A series of points which the Council were advised to give heed to included a provision that the calf must not be allowed to suck its mother, that the cow must be milked twice daily, and that milk so obtained must be handed over to the cow's owner, or be allowed as a credit on the pound fees. The latter recounted how a proposition had been made to the Mayor, but not acted upon, that the cow and calf be released, the other cow being left as security, and that this had not been acted upon.

Another letter protested against Frank Seales having paid pound fees amounting to \$2.65, and getting the cows out of pound, and asking that the money be returned Mr. Seales.
The Council decided to fight the case to the Privy Council, and mention was made of a summons having been issued against the Mayor and Town Council. One and all declared that they would fight to the last drop of milk rather than let Mr. Tucker put it over them, and they viewed with equanimity the prospect of being locked in their own jail.

ROLL OF HONOR.
A letter was read from the D. O. C.'s Office, Calgary, suggesting that the Council have a roll of honor of the men from Strathmore who had enlisted prepared and hung in the Council Chamber, also published in the local paper. It was agreed to act upon this suggestion, the Council having had something of that sort in their minds for some time past.

Councillor Anderson suggested as a precaution against fire, that an empty barn on Third Street be closed up to prevent tramps and children getting in. It was decided to write the lawyers who were looking after the property, asking permission to do this.

The cow question cropped up again when it was mentioned that cows had been seen in the park. The Council decided that they would have to get out of that.

A GENEROUS OFFER.
The Mayor stated that Mr. W. V. Vickers had offered to place a culvert at the middle of the road south from the Catholic Church if the Town would supply the lumber. It was explained that this was not the Town's property, it having been ceded to the C.P.R. some time ago, but that the Company had never closed it up. Indeed, it was mentioned that the local C.P.R. Superintendent himself had had his car stuck there for three-quarters of an hour lately.
It was however, decided to accept Mr. Vickers' offer, and to get the lumber.

LOCAL BRIEFS

Mr Z. Grimshaw has transferred from the Band to the Pioneers and was to leave for the East to-day.

A new train service goes into effect next Sunday. We are given to understand that the usual local is being dispensed with altogether for the time being and No. 3 will go West at 1:05 and No. 4 will go East at 1:05. We expect to show the changes in our usual time table next week.

Two local men joined the Pioneers on Tuesday. These are P. J. Moran, with the telephone section, and C. P. R., under Mr. Schulte; S. W. Buckley, who has been with McCuller's camp on the C. P. R. Irrigation work, W. J. Smith, another C. P. R. employee at McCuller camp, has joined the 6th Battalion.

Martin Vanderbilt, made a record run with his threshing outfit on Tuesday, threshing 840 bushels of oats on the Lincoln Horsestraw farm in thirteen hours. The yield was excellent and the oats were in good shape. Probably there are other threshers who can excel this record. We should like to hear from them.

The weather this week has been very favorable for threshing operations. Grain is now in better shape than it has been this fall, and those who waited until the fine weather came along have not yet been disappointed. Yields are more than good and the grade does not seem to be suffering. The local elevators report that business is brightening.

SICK ROOM HINT

Time Marker in the Medicine Bottle
Saves Lots of Worry

This time indicator on a medicine bottle is a convenient thing to have so that the hour when the next dose

is to be taken can be known. A small mark of glycerol is marked with figures from 1 to 12 and placed around the neck of the bottle so that the figure will always show the hours and half hours. A pin is then pressed into the cork of the bottle.

When a dose of medicine is given the time for the next dose is marked by the adjustment of the pin to the mark over the proper figure. In cases where different kinds of medicines are given at different hours a series of bottles equipped with these markers is a great convenience in the sick room.

CUT IT OUT!
